Story ... to think about !

This is a story about four people

named Everybody, Somebody, Anybody and Nobody.

There was an important job to be done

and Everybody was asked to do it.

Everybody was sure Somebody would do it.

Anybody could have done it,

but Nobody did it.

Somebody got angry about that,

because it was Everybody's job.

Everybody thought Anybody could do it

but Nobody realized

that Everybody wouldn't do it.

It ended up that Everybody blamed Somebody

when Nobody did

what Anybody could have done.

Thanx for listening
